

EDUCATIONAL AMENDMENTS

WHEREAS, The Missouri Congress of Parents and Teachers has for many years been concerned with the education of the children of the state of Missouri; and

WHEREAS, Education in the state of Missouri has suffered due to the fact that the General Assembly has repeatedly submitted to the voters Constitutional Amendments which relate to other areas of government as well as education included in the same amendment; and

WHEREAS, The Missouri Congress of Parents and Teachers could work more effectively for the passage of Constitutional Amendments if they were related to education issues only; therefore, be it

RESOLVED, That the Missouri Congress of Parents and Teachers urgently request the Missouri General Assembly to submit to the voters of the State of Missouri Constitutional Amendments which relate to education and that no other area of government be referred to in the same amendment.
