

CABLE TV

- WHEREAS, The Missouri Congress of Parents and Teachers is concerned with the lack of parental control over cable television; and
- WHEREAS, Cable TV is a recent concept which is structured differently than Network television and thus requires study for insight; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers urge local units and councils to study the program structure of local cable companies and offer assistance to those companies and viewers in program selection; and, be it further
- RESOLVED, That the Missouri Congress of Parents and Teachers urge local units and councils to inform and make material and studies available to parents as a means of parent awareness.
