

## **DRIVING UNDER THE INFLUENCE OF ALCOHOL AND OTHER DRUGS**

The Missouri Congress of Parents and Teachers is concerned with the health and welfare of all children and youth. Many fatalities and injuries occur as a result of driving under the influence of alcohol and other drugs, and many children are affected either directly or indirectly.

The Missouri Congress of Parents and Teachers encourages all its member units to work for strict enforcement of current drunk driving laws and the passage of more stringent laws that would remove drivers under the influence of alcohol and other drugs from our streets and highways.
