

DRUGS

- WHEREAS, The use of habit-forming and injurious drugs and narcotics is becoming more frequently an item of news; and
- WHEREAS, The alarming results of the use of these drugs and narcotics are established facts and permanent damage is being seen with alarming frequency; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers urge all PTA councils and units to recognize the danger involved through the use of these harmful drugs, to make surveys, to take steps to educate and inform both parents and young people, to petition legislators and law enforcement officers to establish more meaningful laws in an effort to control the sale and use of such drugs.
