

ECOLOGY

- WHEREAS, The supply of many of our natural resources is being depleted at an alarming rate; and
- WHEREAS, The suggested practice of today is to conserve and recycle; and
- WHEREAS, Pollution is becoming more and more of a problem in our environment; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers lends its collective support to the enactment of additional laws and the promotion of programs that will provide an incentive for individuals to make a greater effort to stop pollution and conserve natural resources.
