

MINI BIKES, SKATE BOARDS AND MOPEDS SAFETY

- WHEREAS, The popularity of mini bikes, skate boards, and mopeds is in a continual growth usage for means of pleasure and transportation and the increased usage warrants a greater awareness of the safety hazards involved in the operation of said mini bikes, skate boards, and mopeds; and
- WHEREAS, The Missouri Congress of Parents and Teachers does not encourage or condone the usage of mini bikes, skate boards, and mopeds, but is vitally concerned with the safety of children; and
- WHEREAS, The laws of the political entities differ, and therefore, do not assure that adequate protection will be given to riders of such modes of pleasure and transportation; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers its regions, councils, and units initiate a statewide promotion of mini bikes, skate boards, and moped safety which would help to assure the well being of all segments of the population including children and youth; and that such a program should include mini bike, skate board, and moped safety laws, informational usage clinics and public seminars.
