

REACHING FOR EXCELLENCE

- WHEREAS, The Missouri Congress of Parents and Teachers diligently work toward the betterment of educational opportunities for the students in our public schools; and
- WHEREAS, The Governor of Missouri has proclaimed the 1983-84 school year as “The Year of the Public School;” and
- WHEREAS, The Commission on Excellence has submitted to the general public the report titled “A Nation at Risk;” therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers, encourage its local units and councils to study, work with and support local boards of education in procedures to implement the suggestion, as applicable to each individual school district set forth in the report “A Nation at Risk”, and other similar recognized reports; and be it further
- RESOLVED, That the Missouri Congress of Parents and Teachers inform and encourage all of the citizens of this state to actively impress upon our legislators the need for adequate funding for implementation of the recommendations from the reports on education.
