

## **REGULATING OF DAY CARE CENTERS**

- WHEREAS, In Missouri there are an estimated 500,000 children below age six;  
and
- WHEREAS, 200,000 of these have working mothers and there are only 22,396  
licensed spaces for child care; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers urges that  
legislation be enacted to strengthen licensing and regulations of  
facilities caring for children's needs outside of the children's  
home.
