

STUDENT TRANSPORTATION AID

- WHEREAS, The PTA is committed to securing adequate laws for the protection and welfare of children and youth; and
- WHEREAS, State transportation aid is determined by the most effective and economical routes; and
- WHEREAS, School districts are penalized in the calculation of state transportation aid when transporting students, forcing school districts to transport students at district expense or to charge parents for transportation; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers, its units and councils, lend its collective support to changes in the state transportation aid formula to allow school districts to transport students in the safest manner without financial penalty.
