

## **TELEVISION PROGRAMMING**

- WHEREAS, The Missouri Congress of Parents and Teachers is concerned about the apparent trend toward violence, foul language, explicit sex and nudity on television; and
- WHEREAS, The Missouri Congress of Parents and Teachers believes that a great percentage of television programming is detrimental to the character building of children and youth and is undermining the traditional moral values of the family on which this nation was founded; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers, is opposed to the television networks showing programs, movies and advertising materials that emphasize violence, foul language, explicit sex and nudity on television and urges improved programming especially during the hours when children are likely to be viewing; and, be it further
- RESOLVED, That the Missouri Congress of Parents and Teachers urge all units and councils to take positive, concerted action to convey their members' concern about objectionable programming to their local television stations.
