

CHANGING FAMILY ROLE AND STRUCTURE

- WHEREAS, A minority of this country's families can be described as conventional nuclear families with wage-earning fathers and non wage-earning mothers; and
- WHEREAS, It has been estimated that four out of ten children born during the 1970's will spend part of their childhood in single parent families; and
- WHEREAS, The single parent may be faced with a different parenting job; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers its units and councils, assume leadership in educating families as to the different parenting job which may accompany a changing family role and structure.

Adopted 1981
