

EDUCATIONAL REVISION

- WHEREAS, The quality of education has always been a concern of the Missouri PTA; and
- WHEREAS, We believe the Missouri education standards are now threatened by runaway inflation and the demand for expanded programs and services; and
- WHEREAS, The voting public, in most instances, has rejected increased financial support for education; and
- WHEREAS, Some long standing programs could be combined into a more compact curriculum; therefore, be it
- RESOLVED, That the Missouri Congress of Parents and Teachers support the efforts of the Missouri State Department of Elementary and Secondary Education in initiating curriculum revision and evaluation for more relevant educational programs that will better meet the needs of young people; and, be it further
- RESOLVED, That local units and councils urge their local boards of education to evaluate and implement needed changes within the educational programs to meet the ever changing needs of our students.
