

Talent Bank Interest Finder

The Missouri PTA Talent Bank is a file of members who are interested in serving Missouri PTA in various ways. As opportunities arise, MOPTA makes appointments to the Board of Managers. Names entered in the Talent Bank are not guaranteed an appointment; however, this listing does afford an opportunity for consideration for appointment. Therefore, members throughout the state with interest in serving are encouraged to complete this form and submit it to MOPTA. Interested members may be asked to submit letters of recommendations.

Missouri PTA bylaws charge the executive committee with appointing all chairmen and members of the regional teams. Prospective members of the State of Board of Managers should support National and Missouri PTA positions and programs. It is helpful to have held an elected office in a council or local unit.
