INFORMATION

The Missouri Congress of Parents and Teachers awards Teacher Education Scholarships up to \$500.00 per year for the purpose of educating students of outstanding ability and sincerity of purpose who will enter the teaching profession. Students graduating from an accredited Missouri public high school in a district with at least one PTA unit in good standing, and who are pursuing a Missouri State Teaching Credential, may apply for the scholarships. Scholarships will be awarded based on **character, academic record, and volunteerism, and may also be awarded based on financial status.** Applicants must attend a Missouri junior college, college, or university.

Upon notification of selection, applicants must submit the *Agreement and Acceptance Form*, along with a current school or passport photograph, within 10 days of receipt of the form or the scholarship will be offered to an alternate applicant.

Scholarships may be renewed annually in the fall, contingent upon submittal of the *Scholarship Renewal Form*. In addition, the student must provide a yearly transcript which contains a minimal 2.5 GPA, and an update of school activities and accomplishments, reflecting a posture consistent with the high standards projected in the award of the scholarship. Scholarship awards will conclude after a total of four years receipt or the attainment of an education degree, provided that sufficient scholarship funds are available.

Scholarship recipients of the DILLARD A. MALLORY or IRMA G. DETJEN Scholarship must work as a teacher in a Missouri public school one year for every two years of scholarship funds received.
