

Missouri PTA Advocacy through Legislation (AtLAW) **Individual Award**

Send to: Missouri PTA Office, P.O. Box 30545, Columbia, MO. 65202

PTA's foundation is built upon the legislative advocacy efforts of its' founders, Phoebe Apperson Hearst and Alice McLellan Birney. These two women founded PTA at a time when women did not have the right to vote and social activism was not popular. PTA's work in legislation has resulted in the creation of Kindergarten classes, Child labor laws, Juvenile Justice system, and School Safety. This Award is for an individual who exemplifies the spirit of PTA through their PTA advocacy in legislation efforts.

To earn the Award, an individual must achieve the minimum number of points for each of the three sections (Attended training, inform others on legislative issues, and Take action – advocacy) within a one-year time frame. The time frame begins with the date of the first item accomplished from any of the three sections. All awards are presented during the Missouri PTA annual convention. After the minimum number of points is achieved for each section, submit the application by August 31st to be honored at the convention that year. Some items are worth a set number of points while others have a point multiplier value. For example, writing an elected official has a point multiplier value of x10. Each written correspondence is multiplied by 10 to achieve the total number of points.

Mandatory requirements for this award.

Active participation in the JC/DC Member to Member network is mandatory for this award.

The completed application form with supporting documentation (newsletters, programs, minutes, letters, copies of emails) must be received at the Missouri PTA office or **postmarked on or before August 31st.**

Missouri PTA Advocacy through Legislation (AtLAW) Individual Award

Send to: Missouri PTA Office, P.O. Box 30545, Columbia, MO. 65202
