PROPOSED \$1.00 DUES INCREASE

National PTA has been the conscience of the nation to better the lives of all children in America for over 127 years. That's the power of PTA driving our mission.

To ensure we have the resources to support our mission, the National PTA Board of Directors is proposing a \$1.00 dues increase to be debated and voted on by members of the voting body during our virtual Convention in June 2024.

It's time to celebrate!

LEE'S SUMMIT NORTH & WEST HIGH SCHOOL PTSA

PTSA chapters from Lee's Summit, Lee's Summit North & Lee's Summit West High Schools joined forces to create an area-wide student job fair in March 2024. The three schools worked together to secure 36 local businesses to attend this first-time event. Students from all local high schools, public or private, were invited to attend. When students arrived, they were given a map with businesses listed by the age at which they started hiring. Parent volunteers shared tips on preparing for the interview and helped students practice interview questions. Over 225 students attended the event and we look forward to making this event even better in 2025!
